

COMEZ RECOGNIZED AS MANUFACTURING LEADERSHIP AWARDS 2021 WINNER

Our company is honored for enabling manufacturing excellence

Cilavegna, Italy – March 16, 2021 – We are honored to announce that COMEZ has been recognized as a Manufacturing Leadership Awards winner for our important achievement in the category Operational Excellence.

Adopting a flexible planning and programming system enabled us to meet the needs of our customers by ensuring high quality and on time delivery both of tailor-made and standard machines. This was an important achievement especially in view of the numerous difficulties of the last year.

COMEZ will be recognized at the next Manufacturing Leadership Awards Gala, which will take place as a virtual event on May 19, 2021. We will be honored to celebrate together this award. Details on attending the virtual gala are available [here](#).

About the Manufacturing Leadership Awards

The Manufacturing Leadership Awards honor manufacturing companies and individual manufacturing leaders that are shaping the future of global manufacturing. Winning projects and individual manufacturing leaders have demonstrated achievement in one of a wide range of categories, and are chosen by a panel of expert judges for results that have delivered clear and compelling value, return on investment, and other tangible outcomes. There will be several winners in each category, including one High Achiever's Award in each project category, as well as a 2021 Manufacturer of the Year for both small and large enterprises. Also unveiled at the gala will be the ML Awards Manufacturing Leader of the Year and Lifetime Achievement Award winners. Get more information on the Manufacturing Leadership Awards [here](#).

About the National Association of Manufacturers

The National Association of Manufacturers (NAM) is the largest manufacturing association in the United States, representing small and large manufacturers in every industrial sector and in all 50 states.
